Tea Market Report - Sale of 17 & 18 August 2026

MARKET SYNOPSIS

- Auction offerings totalled 5.3 M/Kgs, down from the previous week's 5.8 M/Kgs.
- Large and Semi-Leafy teas in the Low Grown and High & Mid Grown regions continued to sell around the previous week's levels.
- Orthodox/Rotovane BOP/BOPF's witnessed a bearish market sentiment.
- Uva seasonal teas declined in value.
- BOPF's continued to secure a premium of Rs. 100-150 per kg over the corresponding BOP invoices.
- High & Mid Grown CTC teas were weaker.
- Off Grades – Better demand for the Brokens, whilst the FNGS types witnessed much less activity and increased volumes of unsold teas.
- Dust –Improved activity all round and much less unsold volumes.
